**POSTGRADUATE HUTCHINSON AWARD
APPLICATION FORM**

HIGHLAND SOCIETY OF NEW BRUNSWICK AT MIRAMICHI

The Highland Society of New Brunswick at Miramichi became incorporated on April 11th, 1846 and is a volunteer, and not-for-profit organization. Our purpose is to celebrate Scottish culture and provide an opportunity for education and growth of this diverse culture. The Society could not survive without our volunteers and we encourage the next generation to volunteer their time to keep our Society and other organizations moving forward.

Along with the outlined criteria for each scholarship, it is important for applicants to know that volunteerism plays a significant role in the selection process. Volunteering reflects our values – what we care about, our vision for our community, our notion of justice, and our sense of responsibility for the world and all those with whom we share it. Volunteering also generates value for organizations, neighbourhoods, businesses, and society, and builds character. By taking the initiative to volunteer, you demonstrate your motivation to make a positive impact and drive change.

The Society is thrilled to accept postsecondary scholarship applications from eligible applicants. Be sure to complete all parts of the application and remember – volunteer efforts can help you stand out from other applicants.
